Bring the joyful sounds of glistening handbells to your holiday event...

Top off your holiday event this season with a breathtaking performance by our professional bell choir, providing unique musical entertainment to set the mood for Christmas cheer. The exquisite sound of 56 enchanting handbells will invite a festive feeling like no other and impress any audience. You will be inspired by the rich melodies and dazzling tones of sparkling handbells that are not only lovely to hear but captivating to watch.

The *Utah Valley Handbell Ringers* have been perfecting the art of bell ringing for almost 15 years. Highly skilled musicians ring together at precise intervals to create beautiful melodies. Performing a repertoire of sacred as well as fun, upbeat songs, you won't want to miss their showstoppers such as *The Nutcracker*, *Sleigh Ride*, and *Hallelujah Chorus*. Hearing these classics performed on bells is something everyone should experience!

We will cater to your needs and wishes. We can be the main attraction, a great show piece, and/or provide soothing background music. We can also create "hands on" audience participation... what a great way to get back at a co-worker, friend, or family member. We have sing-a-longs and chimes for kids to play (and big kids alike). Count on us to create a fun, lighthearted event with a touch of humor.

Enjoy an evening of musical brilliance with the *Utah Valley Handbell Ringers*, Utah's premier community handbell choir. Let us add the perfect touch to your seasonal gathering.
